#### Hengqin Chimelong Ocean Kingdom: 长隆海洋王国

Is the world's largest marine theme park. It features eight themed areas that combine rare marine animals, top-of-the-line amusement rides, and large-scale performances.

One highlight is the 'Whale Shark Pavilion,' which resembles a giant 3D blue whale shark. As you walk through the curved underwater tunnel, thousands of rare fish swim around you, while the circular dome reveals a vibrant underwater world. To fully experience the stunning underwater scenery, visit the 8.3-meter-high and 39.6-meter-long glass viewing screen. This is where you'll find the home of whale sharks, some of the largest marine creatures on Earth. Additionally, children aged 5-15 can become a 'Dolphin Little Keeper' for 60 minutes (S\$300 per child), with pre-booking required. Around 20:00, transfer to a hotel in Macao.
