03 YANGTZE RIVER THREE GORGES (WUSHAN / FENGJIE)

Breakfast | Lunch | Dinner

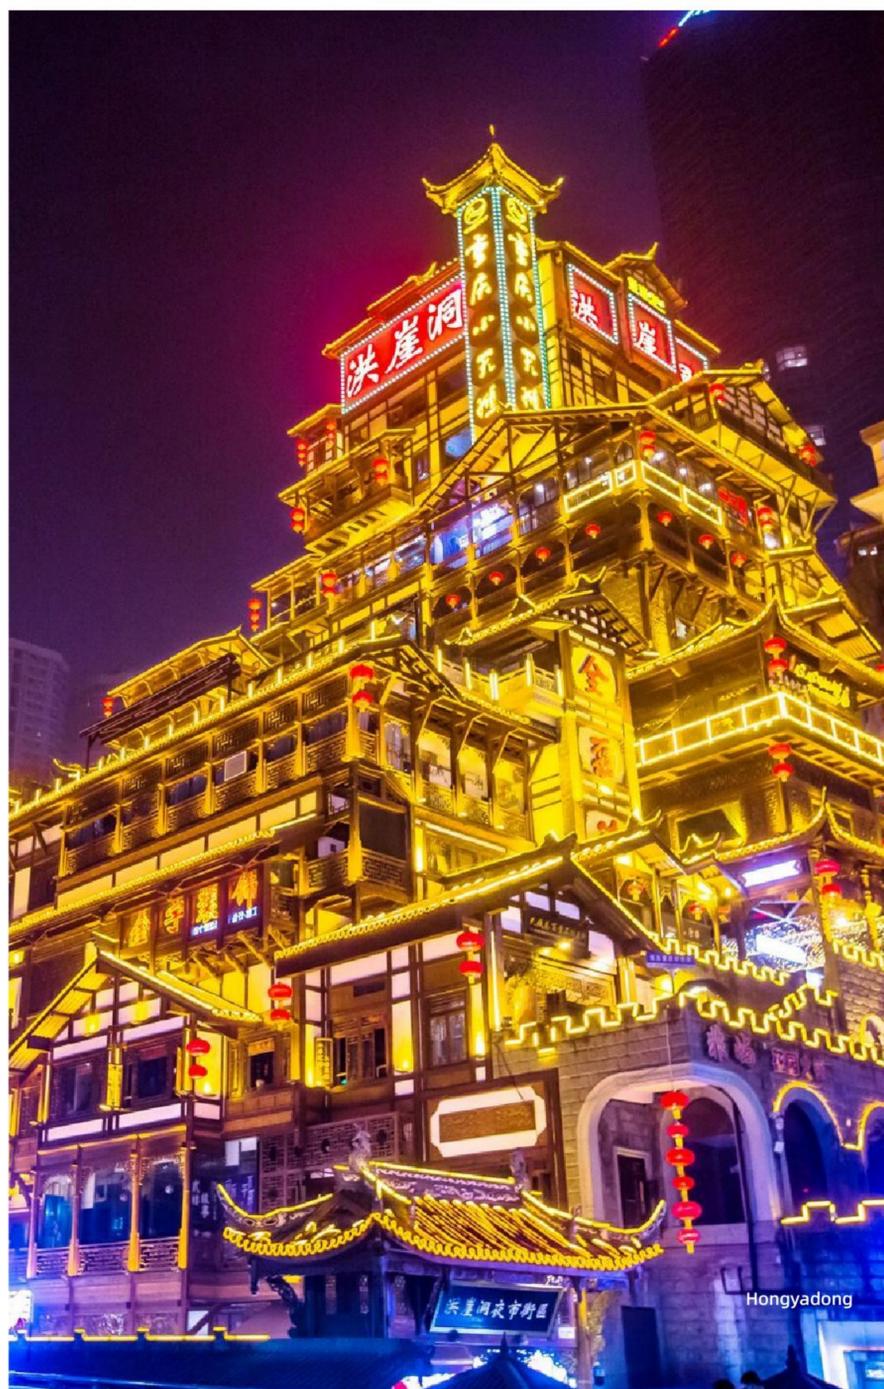

- **Scenic cruise through the Lesser Three Gorges of Wushan + light hiking at Luoja Village (exclusive experience) + elegant morning tea on board during the return journey (exclusive service):** It is composed of three scenic sections: Longmen Gorge, Bawu Gorge, and Dicui Gorge, stretching approximately 60 kilometers in total. This is the most pristine and unspoiled gorge cluster in the entire Three Gorges region. The cliffs rise steeply like giant blades, verdant peaks are reflected in crystal-clear waters, and the river surface shimmers like a mirror. Along the banks, you may spot ancient hanging coffins, vine bridges, and playful monkeys appearing and disappearing among the trees. The area's unique karst landscape blends seamlessly with the rich Wuxia cultural heritage, forming a natural masterpiece that is mysterious, graceful, spectacular, and thrilling. A gentle walk along original stone steps leads you past centuries-old trees, grinding stones, and wooden waterwheels. Along the way, you'll gain insight into the traditional lifestyle of the indigenous Tujia people, and enjoy a moment of serenity where pastoral scenery meets gorge culture.
- **Gorge Passage - Cruisin through Qutang Gorge. Afternoon · Shore Excursion: Miracle Select - Choose One of Two Experiences:**
 - ① Legacy of a Miracle: Baidi City: Located on the north bank of the Yangtze River, at the entrance of Qutang Gorge in Fengjie County, Chongqing, Baidi City is a culturally rich ancient town nestled between mountains and water.

- ② Scenic Wonder: Peak of the Three Gorges: Located at the very start of the Yangtze River's Three Gorges, near the entrance of Kui Gate, this site is famed as the "Peak of the Three Gorges." It is not only a place of strategic geographical importance, but also a crossroads of culture and history—an ideal gateway for exploring Three Gorges culture, the legacy of the Three Kingdoms, and the poetic spirit captured by ancient Chinese literature. Evening · Miracle Celebration Party

- **Liziba Monorail Through Building:** Watch the extraordinary sight of a monorail train passing directly through a residential building – a famous urban marvel unique to Chongqing.
- **Exterior View of the Great Hall of the People & Visit to the China Three Gorges Museum (closed on Mondays):** Located in the heart of Chongqing, the Great Hall of the People is a grand architectural landmark built in 1951. Its design is inspired by traditional Chinese palatial architecture, featuring a majestic domed roof and a symmetrical layout. This multifunctional venue hosts political meetings, cultural performances, and public events. Surrounding the hall is People's Square, a well-known public space and popular tourist destination that symbolizes Chongqing's cultural heritage. The China Three Gorges Museum, located just across from the Great Hall on People's Square, is one of China's most renowned history and culture museums. Opened in 2005, the museum showcases the history, culture, and natural ecology of the Three Gorges region, as well as the achievements of the Three Gorges Dam Project. It serves not only as a hub for academic research and cultural education, but also as an ideal destination for visitors to gain a deeper understanding of the history and culture of southwestern China.
- **Free Time at Jiefangbei Pedestrian Street :** Located in Yuzhong District, Chongqing, Jiefangbei is one of the city's most bustling commercial areas and a symbolic shopping district. The Jiefangbei Monument stands at the heart of the street, serving as an iconic landmark and symbol of Chongqing. Surrounding the area are numerous shopping malls, restaurants, entertainment venues, and financial institutions, making it a popular destination for both locals and tourists for shopping, leisure, and entertainment.
- **Night Tour of Hongya Cave Scenic Area :** Also situated in Yuzhong District, Hongya Cave is one of Chongqing's most representative landmarks, famous for its unique architectural style and mountainous cityscape. Built along the hillside and facing the river, Hongya Cave showcases the traditional "stilted buildings" (Diaojiailou) architecture, earning it the nickname "the real-life Spirited Away world." At night, Hongya Cave is especially enchanting. When the lights come on, the layered buildings glow brilliantly, beautifully reflecting on the Jialing River and creating a stunning natural and urban landscape. It is also a great place to savor authentic Chongqing cuisine, including specialties like Xiaomian (spicy noodles), hot pot, and chuan chuan xiang (skewers). After the visit, guests will return to the hotel for rest.
